PROFILE

A results-driven UI Developer with **over 3 years** of experience, I am adept at leveraging technical expertise to achieve organizational and personal milestones. I am passionate about continuous learning and proactively embrace new technologies to deliver impactful and innovative solutions.

WORK EXPERIENCE

MSM Unify   JUL 2022- JUN 2025
Angular Developer

- Ensured **high code quality** and **maintainability** through modular architecture, reusable components, and having clean and good-looking UI ready for business requirements.
- Contributed to a **full revamp** of the MSM Unify company portals, enhancing performance, user experience across key modules.
- Integrated payment gateways including **Razorpay** and **BillDesk**.
- Created multiple Angular modules following best practices, implemented **route guards, resolvers**, and built interactive **dashboards** for improved navigation and usability.

MSM Unify   JAN 2022 - JUL 2022
Angular Developer - Intern

- Developed and implemented new Angular components and features, contributing to enhanced application functionality and user experience.
- Designed and built interactive forms and dynamic tables using the **DevExtreme Data Grid**, significantly improving data presentation and user interaction.
- Engaged in **continuous learning** and **skill development**, staying updated with the latest Angular technologies and best practices.
- Contributed to team discussions and brainstorming sessions, offering insights and suggestions to improve **project outcomes.**
